

Loving Father,
thank you
for the missionary vocation
You have granted to the
Sons of the Immaculate
Heart of Mary.
Give them your Spirit
so that they can be revitalized
through the *Forge Project*
in our Daily Life.
May the fire of your love
purify and transform them
so they may set others on fire
with your love
so your name will be glorified
throughout the world. Amen.

MEN ON FIRE

WHAT IS IT?

It is a renewal project that aims to help Claretians to rekindle the fire of their missionary vocation and to grow in missionary zeal.

WHY IS IT CALLED THE FORGE?

Because the forge is an allegory used by St. Anthony Mary Claret in his Autobiography to describe his spiritual experience.

WHAT NEED DOES IT RESPOND TO?

To the need of finding a new answer to the question of how we understand and express our Claretian identity in the world today, both at personal and community level.

HOW LONG WILL IT LAST?

Four years: 2011-2014.
The Forge Project is in rhythm with the liturgical year.

WHAT DO WE EXPECT FROM YOU?

There is no genuine spiritual renewal if it is not produced by the Spirit of God.
Therefore, we ask you:
to pray for us
to join us on our spiritual journey
to question us on our faithfulness to this journey.
to help us to be better missionaries.
